

MOMENTS THAT MATTER

with the Arizona Optima[™]

The Arizona Optima is a thermoplastic, fully custom-articulated AFO and is expertly crafted in-house with anatomic ankle axis hinge placements that enable unrestricted sagittal ankle motion.

Why Arizona Optima[™] Brace?

- Save money by getting “direct from manufacturer” pricing
- Reliable, top-quality craftsmanship and fit from Arizona AFO
- Custom low-profile design that fits easily into most shoes
